uvex D500 foam//60604

Description

The uvex D500 series sets standards in protection, comfort, flexibility and cost-efficiency. The use of Bamboo TwinFlex Technology ensures a high level of cut resistance, an exceptional abrasion resistance and a supreme wearing comfort. The coating guarantees an excellent dexterity, flexibility and secure grip. The uvex D500 foam is suitable for dry and slightly damp/oily working conditions.

Characteristics

- · excellent dexterity
- · high abrasion resistance
- · High flexibility
- patented uvex Bamboo TwinFlex® Technology
- very high cut protection (level D)

Applications

- · Automotive industry
- · construction
- · brewery/beverage industry
- · glass industry
- · maintenance/servicing
- · metal work industry

EN 388:2016

4X42D
