Limited Life Style TRAINING SUIT

Fully encapsulating training suit covering both the wearer and the breathing apparatus, manufactured to the same design as the Type 1/Level A Limited Life gas tight suit including the following features: -

Material:	Heavy duty green PVC
Size:	Available in Small, Medium, Large, X Large and XX Large sizes.
Visor:	Single glazed anti-mist visor giving clear undistorted vision
Exhale Valves:	Twin to rear of hood valves to ensure that the pressure change within the suit does not exceed 4mbar.
Zip:	122cm (48") Heavy duty gas tight zip fitted to right hand side of suit, closing at bottom complete with overlapping Velcro closure storm flaps.
Cuff:	Respirex locking cuff mechanism.
Gloves:	Lined Neoprene gloves complete with Kemblok™ gloves on the inside.
Internal fittings:	Adjustable internal support belt to enable wearers of varying sizes to comfortably use the suit.
Pass-thru:	Swivel fitting (on the right side) to enable supplementary air via an external airline to be connected to the breathing apparatus when decontaminating.
External fittings:	Two blank fittings for waistbelt support
Leg fitting:	Integral socks in the same material as the suit with plain outer leg allowing the wearing of customer's own boots. (Boots not included)
Application:	The suit is a training suit only and must not be worn for operational use.

Product Code: TYFB011/412/38
