

# AlphaTec® 79-700 (ex Virtex)

Chemical & Liquid Protection

Nitrile

Immersion

**All day comfort in a lightweight glove**

## DESCRIPTION

- AlphaTec® 79-700 glove is designed specifically to offer outstanding comfort, flexibility and good chemical resistance.
- AlphaTec® 79-700 incorporates the unique new and patent pending Aquadri™ – Ansell Moisture Management Technology™. This technology gives this reusable, handed glove excellent moisture absorption capabilities and keeps users hands drier for a longer period of time.
- Gloves featuring the Aquadri™ show a significantly lower tendency to shed (even up to 50% less shedding) than traditional cotton flock gloves. So next to the comfort gain, you benefit from an optimised cost of ownership.

## PRODUCT DETAILS

Coating material	Nitrile
Liner material	Aquadri
Grip design	Lozenge
Cuff style	Straight
Colour	Blue
AQL	0.65
EN Sizes	7,8,9,10,11
Length (mm)	310 mm +/- 10 mm
