

# PRODUCT DATA SHEET

## ASBESTOS BARRIER TAPE - EFFECTIVE SAFETY MARKING

Asbestos barrier tape is specially designed to mark areas at risk of asbestos contamination. The tape is yellow with black text "ASBEST" and comes in rolls of 75 mm x 500 m, ensuring long-term use and clear marking.

---

### Use

Use asbestos barrier tape on construction sites, in industrial environments and other places where there is a risk of asbestos. It helps ensure employees and visitors are warned of potential hazards and can take the necessary precautions.

---

### Benefits

- **Clear Warning:** Bright yellow color with black text makes it easy to identify hazardous areas with asbestos.
- **Durable:** Made from strong plastic material to ensure long-term use in demanding conditions.
- **Easily Applicable:** Easy to install and remove, making it ideal for both temporary and permanent markings.
