

Mechanical Protection

Oil-Repellent

Heavy

Nitrile dipped coating on a jersey liner

DESCRIPTION

- A big tough glove for a rough, tough life: three times more durable than heavy-duty leather.
- Unique Ansell nitrile formulation. Offers superior resistance to sharp and abrasive materials.
- Stronger and more flexible than PVC. Also provides excellent barrier to grease and oil, and does not degrade like leather or cotton.
- Made without silicone. Guaranteed clean for metals and motor manufacture.
- Wide selection of styles, lengths and sizes. Allows you to chose the optimum combination of features for your particular application.
